Bea Guevarra

Bea Guevarra is a member of the Organizing Committee and Advisory Board of **NetMission DotAsia**. She discovered the Internet Governance community in **APrIGF/yIGF 2017** at Bangkok, Thailand. She has been an active participant in the **Youth Internet Governance Forum** and recently helped organized yIGF 2022 in Singapore. During the pandemic in 2020, she became a **NetMission Ambassador** and is still volunteering in the program as a Buddy. She also holds a Master's Degree in Information Technology.

NetMission.Asia promotes APAC youth engagement in Internet Governance (IG). It is the longest standing youth Internet Governance program in the world. The NetMission Academy empowers youth to engage in the multistakeholder model of Internet Governance for a sustainable, open, and interoperable Internet.

AP* mission aligns with NetMission: It aims to coordinate and liaise across the Asia Pacific (APAC) Internet organizations in coordinating and achieving our common and respective goals on technical operations, as well as global Internet issues as it relates to the technical functioning of the Internet in the APAC region.

Youth Leadership Today

APAC Youth Leadership at **all levels**

- **Financial and Operational Support** – Funding and sponsorships to the event enables the execution of planned activities and a more diverse group of fellows.
- **Outreach** – Outreach to potential partners, participants and speakers.
- **Inclusion and Diversity** – Access to resources and technical support to ensure an inclusive experience for all participants.
- **Leverage Local Youth Delegates and Community** – Adopt a decentralized model to support the voices of your community.

APAC Youth Leadership and WSIS+20 2025 Developments

APAC Youth WSIS+20 Webinar Series

Organized by NetMission.Asia with the support of the DotAsia Organisation, the [APAC Youth: WSIS+20 Series](#) created a dedicated space for youth from the Asia-Pacific region to reflect on WSIS+20 outcomes and key digital policy issues, engage with multistakeholder experts from across sectors, and collaboratively shape an [APAC Youth Statement](#) to input into WSIS+20 processes.

NetMission Youth Leaders Call for Youth-Inclusive Action at WSIS+20 Informal Consultation

Three representatives from NetMission.Asia team intervened as speakers at the [WSIS+20 Informal Stakeholder Consultation Session](#) to make sure young people were present, heard, and counted.

Have a Say in WSIS+20: APAC Youth in Action

The [APAC Youth WSIS+20 Statement](#) is our collective voice—a live, evolving document reflecting the priorities, ideas, and vision of youth across the region. It forms the foundation of our contributions to the WSIS+20 process.

Asia Pacific Youth Internet Governance Forum (yIGF): Three-Year Blueprint

Three core strategic areas

- Enhancing the regional Asia Pacific Youth IGF
- Youth representation in influential and leadership roles at the regional and global level
- Expanding our network and amplifying APAC Youth's voice

Related goal for AP*

Help more APAC countries establish yIGFs: Support new yIGFs, promoting knowledge sharing and multilingual engagement to increase inclusivity across APAC.

Next Steps:

Furthering a Collaborative Partnership

Proposed next steps

- **Invitation for AP* to share expertise in NetMission Academy:** APAC Youth and AP* organizations collaborate to increase AP leadership on technical operations and Internet issues in APAC, and globally
- **Regional expansion and engagement with (yIGF):** Youth representation in influential and leadership roles at the regional and global level
